

**Soulfull Productions** are a team of highly experienced and passionate professionals within the wellbeing industry.

Drawing together diverse skills and resources, we create original, heartfelt and immersive wellbeing spaces and services for events, festivals and retreats.

What makes us unique is both our multi-talented and creative team and innovative venues such as our 'Soul Dome', 'Pamper Dome', 'Upendo Yoga Studio', 'Coconut Cabin', 'Whirled Smoothie Bar', & Wise Sage Lotus Lounge.

We design interactive wellbeing areas for the whole family or boutique retreat and spa experiences for adult escapes. Our versatile approach enables us to focus primarily on our client's requirements tailoring our services to reach their goals. We offer:

- **VENUES**
- **WELLBEING TRADERS & CATERING**
- **WORKSHOP LEADERS, YOGA TEACHERS & THERAPISTS**
- **SITE MANAGEMENT & DESIGN**
- **ONLINE TECHNOLOGY**

# VENUES

## SOUL DOME

Indulge in our unique and unforgettable Soul Dome Restorative Session. This peaceful inflatable dome has planetarium cinematic technology creating a unique immersive sound and visual experience. Retreating into this space, we will draw you into a deep rest and body recharge in order to be ready to fully engage in more festival action.

## PAMPER DOME

Golden time in a beautifully decorated canvas pamper geodome with accompanying Wise Sage Healing Sanctuary, Lotus Belle Tent. Our signature pamper hour includes a foot soak, scrub and massage, followed by a back, neck and shoulder massage and finishes with a refresher facial. Wise Sage Organic and Bespoke Natural Beauty Products are used in the pamper dome treatments and sumptuous teas and healthy snacks will be available in a luxurious and relaxing atmosphere afterwards.

## SAUNA

A wood fired yurt with cedar wood provides a delicious hot evening cleansing sauna before or after dining out at your favourite eatery. Separate men's and women's changing areas and an outdoor hot and cold shower facility makes bathing a highlight of the festival.

## VENUES

### UPENDO

A beautiful state of the art portable studio, fully equipped with latest high quality solid flooring and equipment. This studio is this perfect venue for classes, workshops and talks.

### COCONUT CABIN

A converted shed full of colourful coconuts, served by Coco & Tails.

"Cocotails cracked for you in style". By pure coincidence, whilst chasing their own tails, Coco found...coconuts, And Tails?...she just tailed! Together they mixed magic, Lots of glitter. Lots of paint pallets! They dream, they theme, they beam.

## VENUES

### WHIRLED ESPRESSO SMOOTHIE BAR

Fondly called 'The Wagon', this cute vintage horse box spins out the most delicious range of organic smoothies and the best organic coffee that can lift spirits and replenish our bodies to fuel up for the next adventure.

### WISE SAGE LOTUS LOUNGE

A beautiful Lotus Bell tent decorated to create a sumptuous relaxing retreat space for post-treatment and for those who desire a refreshing break with herbal tea and healthy snacks. Wise sage will also be selling a range of beautifully hand crafted and bespoke organic and natural skincare products.

WORKSHOP LEADERS, YOGA  
TEACHERS & THERAPISTS

The heart of our offering lies with the people who make it happen. We pride ourselves in sourcing the very best teachers and therapists who put their heart into their work.. All our team are highly qualified, certified and insured.

We provide family oriented yoga programs led by exceptional, local & international instructors. Classes can run from 8am until 8pm, catering to those seeking out pure invigoration or simple relaxation and wind-down. There can be something for everyone; meditation, acro-yoga, beginners yoga, family classes, kids sessions, pregnancy yoga, and restorative hatha yoga.

Our very own 'Kanga Kids' sessions are designed to stimulate children's powers of imagination, improve concentration and focus, and help to release energy in a fun, safe environment. We are always developing fun and creative skill building Yoga sessions for children to enjoy.

We provide highly recommended workshop facilitators that teach techniques relating to nourishing the mind, body and spirit. Workshops include Meditation, Herbal Medicine, Plants, Thai Chi.

The therapies we offer range from sport, Reiki, Hawiian, Thai and Holistic treatments. We also offer every client a free 15 minute restoration session in the Soul Dome to round off the bliss.

**TEA CARAVAN**

# WELLBEING, TRADERS & CATERING

We source stalls which enhance the diversity in the area.

We offer a yoga clothing stalls, and pamper products.

For some glamorous fun we offer a fantastic range of full body glitter sprays and face/body painting.

We also have our own smoothie, healthy drinks and snack bar "Whirled" and "Coconut Cabin" and can source other nourishing drinks and food caterers.

**SMOOTHIES, JUICE BAR  
& HEALTHY FOODS**

**COCONUT CABIN**

**FRANKINCENSE DEN**

## SITE MANAGEMENT & DESIGN

We site manage the entire wellbeing space, design the layout and the décor. Our highly experienced rigging and build team have much experience in efficient build and strikes. Our team would cover the onsite production and 24hr security.

# ONLINE TECHNOLOGY

We successfully execute pre-booking systems for the services to ease booking process for festival goers, avoid queues and any disappointments.

Our professional onsite reception also manages bookings at the festival to ensure a smooth and friendly front of house.

We and can create attractive online marketing for event websites.

An example can be found here: <http://larrylush.wix.com/latitude>

During and post event, we collate feedback from our clients. This information is fed back to our clients to measure success and identify any areas to be improved.y.

Emma Bonnici

Emma Bonnici, is the founder of Kanga Yoga, an international Yoga teacher and Ayurveda Therapist. She has been studying Yoga and Ayurveda for over 10 years. An avid traveller, Emma connects herself with others through yoga whilst following her passion for creating events in combination with her destined path of Yoga.

Emma has worked closely with the International Indian Film Awards for events in Macau, India and Sri Lanka. In 2011, she returned to India to teach yoga and write a weekly yoga column for The Hindustan Times national newspaper.

Today, Emma divides her time between leading international Kanga Yoga Training courses, Live Events, Teacher Training Courses and the Kanga Yoga and Ayurveda Retreats in Africa and India.

Lucy Sage has been discovering & working with the healing arts, voice work, music, event production, nutrition and food since the mid 80's.

Originally a singer songwriter and touring musician, Lucy went on to run a successful Social Enterprise for over 8 years raising awareness around all matters of sustainability and holistic living and worked for Greenpeace and The National Trust, producing high quality events.

She has continued to work holistically and sustainably running healing areas at Skyros Holidays, Standon Calling and the pamper Dome at Latitude 2016. Lucy combines a wide experience of travel and training in her passion for producing all aspects of stunning healing concessions (areas) alongside her sumptuous, bespoke, natural product range, Wise Sage.

Jane Swan

Founder of **Realease:** festival and event therapies, Jane has over 15 years experience of producing wellbeing areas in the UK including co-producing the first of its kind at the Big Chill Festival called 'Body and Soul'. She also works as a thai massage practitioner gaining good experience 'on the ground'.

**Co-director of Souldome:** immersive cinema, mother and lover of all things promoting vibrant health. She loves drawing people together and creating a space where people can relax and be themselves.
